

ABDUL-RAFICK MALICK

Abomey-Calavi, Zoundja, Benin | rafick.malick@epitech.eu | +229 0151588257

SUMMARY

Passionate about innovation and the creation of new technologies, I am seeking an internship opportunity in computer science, particularly in artificial intelligence development. My goal is to enhance and deepen my knowledge while contributing to cutting-edge projects.

WORK EXPERIENCE

Hugging Face Hackathon — Robotic Arm Project April-2025

- Participated in a Hugging Face hackathon on robotic arm control and machine learning integration, handling robot calibration and dataset collection for training models.

AI/ML Project — Autonomous Vehicle Driving System 2024 Nov 2023 - Dec 2023

- Implemented machine learning algorithms enabling an AI to respond to driving scenarios, with decision-making logic for navigation, obstacle detection, and path optimization.

Tekbot Epitech Project Manager Nov 2024 - Now

- Project manager in a 60-member association, responsible for coordinating activities, organizing teams, and overseeing project progress.

Web development internship at Market OptionCENTER juil 2024 - Nov 2024

- I developed the backend of a human resources management platform incorporating a quiz designed to improve staff skills.

AREA Nov 2025 - Jan 2026

- Developed the mobile version of an "action-reaction" automation application that creates event-based workflows similar to n8n.

EDUCATION

Epitech University — Cotonou-Benin Sep 2023 - Present

University of Engineering and Technology

- Specialization in Advanced Manufacturing.
- Thesis on "Innovations in Sustainable Engineering Practices".

C.S.J.M. Le Faucon Sep 2016 - Jun 2023

- Scientific Baccalaureate (Mathematics & Physics Specialization) 2023
- BEPC (First Cycle Studies Certificate - Scientific Track) 2020

ADDITIONAL INFORMATION

- Technical Skills:** Project Management, Creative Problem-Solving, Critical Thinking, Leadership, Self-Directed
- Languages:** English, French
- Programming Languages:** C, Python, SQL, C++, Haskell, Javascript, React native, Next.js, PHP, Arduino
